Project ORCHID-7749 - Internal Program Charter

FICTIONAL TEST DATA - not a real Deloitte engagement.

ORCHID-7749 is the internal codename for the Q3 2026 telemetry pipeline migration. Program lead: Priya Ramanathan, Platform Reliability practice, Sydney. Charter approved 14 March 2026. Approved budget: AUD 2,480,000.

Section 7 - Codename Ledger: an earlier proposal used the codename LOTUS-3320; that proposal was rejected on 02 February 2026.
