Deloitte.

Expense Reimbursement Policy

1. Policy purpose

At Deloitte, we are committed to managing our business travel, entertainment, and other expenses with integrity and efficiency. This policy outlines the procedures that ensure expenses are necessary, appropriate, and aligned with our decarbonisation targets. We aim to support our partners and staff in making cost-effective decisions while maintaining high standards of sustainability and process efficiency.

By following this policy, you contribute to our collective goal of reducing environmental impact and ensuring financial prudence. Please adhere to the outlined guidelines to facilitate streamlined approvals and reimbursements.

Any questions, comments or suggestions regarding this policy should be directed to the Group Finance Director.

2. Does the policy apply to me?

This policy applies to full-time and part-time permanent and fixed-term team members, both partners and staff.

3. Policy conditions

3.1 General Guidelines

Deloitte reimburses partners and staff for reasonable and necessary business expenses incurred during travel or authorised Firm business, in line with policy.

It is your responsibility to ensure that you are familiar with the policy and what expenses are allowable in performing your duties and to ensure that any expenses incurred are reasonable and in line with client processes and pre-approvals (if required).

While the policy operates on an "empower and trust" basis, certain expenses may need pre-approval. See **6. Approvals and exceptions** for further details.

Other useful tips to note:

- **Ensure you attach an itemised tax invoice or receipt in Concur for all claimed expenses**, except Taxi/Rideshare and Public Transport costs under $82.50 charged to your Amex card. An Amex statement is not an acceptable substitute for a valid tax invoice or receipt.

- In extremely limited circumstances you may submit a missing receipt affidavit where a receipt has been misplaced or was unavailable, however this may only be used at most once or twice within a calendar year, and we reserve the right to challenge a claim without a receipt where appropriate.
- Use the Concur mobile app or [receipts@expenseit.com] (mailto:receipts@expenseit.com) to simplify the expense claim process and ensure compliance with tax invoice requirements. Further details on the Concur mobile app are available on DAIS.
- Expenses should be coded to the appropriate expense type as outlined in **Appendix A**.
- Charge all client-related expenses, except entertainment, recreation, and gifts, to a client engagement code.
- You should always gain pre-approval for any entertainment expenditure from your Offering Portfolio Leader (OPL) before incurring the cost.
- At all times, Offering Leaders and Engagement Partners retain responsibility for expenditure incurred against the cost centres or engagement codes they lead.

3.2 Expenses paid via Accounts Payable

All business expenses under $2,500 should be paid using your Deloitte-issued personal liability Amex card. Expenses over $2,500 should be invoiced and processed through Swift Accounts Payable, except as follows:

- Travel and accommodation per the Travel & Transportation Policy.
- Training expenses approved under the [Deloitte Learning Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/10.01%20Deloitte%20Learning%20Policy.pdf?csf=1&web=1&e=tGbnkr).
- Client-related software expenses, approved by exception only.

All events, regardless of value, must be paid through Swift Accounts Payable with a valid tax invoice or receipt and signed contract.

- An "event" includes any business function requiring deposits or advance payments, such as venue hire, catering, and entertainment (e.g., EOFY celebrations, end-of-project gatherings).
- If Amex is required (e.g., vendor credit card pre-authorisation or incidental costs), a valid tax invoice and signed contract must still be provided.

- In exceptional circumstances, the CFO may approve an exemption from the Purchase Order (PO) requirement where a PO cannot reasonably be raised before expenditure is incurred. Approval must be obtained and documented in advance.

3.3 Exceptions

Any claim for reimbursement of expenditure that is not explicitly mentioned in this policy or supporting guidance may be treated as a policy exception.

For all other purchases and contracting of vendors and third parties, including sub-contractors and alliance partners, please contact [CoRe Procurement] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/CoRe-Procurement.aspx).

For technology purchases/orders, refer to [CoRe Procurement] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/CoRe-Procurement.aspx).

3.4 Timely submission of expense claims

Expenses should be submitted monthly (within 30 days), and within no more than 60 days of incurring them. Claims beyond this period will only be considered based on extenuating circumstances (e.g., extended illness, study costs payable upon successful completion, international relocation costs) and require Firm CFO approval. Late submissions, extended leave, or lack of policy knowledge are not valid reasons for exceptions. Deloitte assumes no obligation to reimburse partners or staff for aged expenses.

Your expense claim within Concur must be submitted before the monthly cut-off date, this is generally the last working day of the month but can vary around our financial year end, always refer to the published dates on [DAIS] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/Expenses.aspx#expense-cut-off-dates).

Deloitte assumes no obligation to reimburse partners or staff for expenses that are not in compliance with this policy or not claimed within 60 days of incurring the expense. If you do not comply with this policy, you may be subject to delay or withholding of reimbursement, and/or disciplinary action.

Deloitte.

3.5 Frequency of claims

While timely submission of claims is important to facilitate reimbursement and to ensure that client expenses can be billed in a timely manner, claimants should limit individual expense claims to no more than 2 claims per month.

Best practice is to align your monthly Concur submission with receipt of your AMEX statement and ensure the claim is submitted before the monthly cut-off date posted on the [DAIS Expense Hub] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/Expenses.aspx#expense-cut-off-dates).

3.6 Obligation to incur lowest cost

When travelling, it is expected the lowest available air, hotel, or rental car rates offered be accepted. Refer to the Travel & Transportation Policy for further information.

3.7 Final Expense Claims

All exiting partners and employees must submit any outstanding expense claims prior to their termination date. Claims submitted after this date will not be eligible for reimbursement, except in limited circumstances.

Final approval for post-termination claims is at the Firm CFO's discretion and will be granted only by exception. Late submission or unfamiliarity with the policy will not justify approval of a claim after termination, and Deloitte assumes no obligation to reimburse these expenses.

It is the claimant's responsibility to ensure all claims are submitted and approved before the last working day.

3.8 Credits

When a business-related refund is credited to your AMEX card (e.g., a refund for a cancelled flight) it will automatically transfer into your Concur account. You should ensure these credits are reimbursed to Deloitte promptly by including the credit in your monthly expense claim. Use the same engagement or cost centre code as the original expense. Business-related AMEX credits must never be marked as personal.

Deloitte.

Deloitte.

3.9 Approver Responsibilities

It is expected that approvers will make approval decisions that align with Deloitte policy. Where approval is given contrary to Firm policy, a valid business justification should be provided.

In summary, when approving expenses, partners must:

- Ensure the expense purpose and amount align with our policy and business expectations.
- Confirm the expense type matches the incurred expense.
- Verify vendor details and amounts are reasonable and supported by documentation, such as a tax invoice.
- Ensure the claimant's name is on the expense item, especially for travel-related claims.
- Chargeable expenses should align with the commercial terms of the client engagement.
- Submit expenses within 60 days unless exceptional circumstances are approved by the CFO.
- Send non-compliant expenses back to the claimant for rectification.
- Complete approvals within 3 working days to ensure timely reimbursement and accurate client invoicing.

Use of Delegates

At all times, Offering Portfolio Leaders and Engagement Partners retain accountability for expenditure incurred against the cost centres or engagement codes they are responsible for – the use of delegates within Concur does not transfer this accountability.

Partners (and some staff) may delegate Concur Expense submission to Executive or Personal Assistants, but the claimant remains responsible for compliance with all relevant policies and claiming expenses monthly. Offering Leaders and Engagement Partners must adhere to this guidance and approve travel requests and expenses in Concur. Delegates for approvals are permitted only in specified scenarios, with a maximum of two delegates per partner.

- **Periods of leave:** where an OPL or engagement partner is on leave for a period that would cause unreasonable delay in being able to action approvals, they should delegate to an alternative partner for that period.

- **Executive / Personal Assistant delegates:** when approval delegation is assigned to a support person (EA/PA), accountability remains with the partner. Delegates are expected to exercise due care, act strictly on the partner's instructions, and challenge non-compliant claims when necessary. For clarity, it is expected that partners review expense claims and give specific authority to their delegate to approve for each

employee report. Delegate authority is not a generic approval to act on their behalf without scrutiny.

Offering Portfolio Leaders (OPLs)

OPLs are responsible for all expenditure incurred against relevant cost centres within their respective Offering.

Key accountabilities for OPLs include:

- **Pre-approval for all non-chargeable travel is required.** As a rule, before approving non-chargeable travel for business purposes, you should ensure that there is a strong reason why a virtual meeting cannot be held. When leaders are required to travel it is the responsibility of the OPL to ensure such trips are required for management of the business, costs are reasonable and pre-approval (Concur Travel Request) is obtained.

- **All International travel must be requested via Concur Request** and approval will workflow to the BU Managing Partner (irrespective of whether chargeable or non-chargeable).
- **Review and approval of relevant costs post submission by partners and staff**. For expense types not requiring pre-approval, expense amounts considered excessive will workflow to the OPL for approval, prior to reimbursement being made. It is the responsibility of the OPL to understand the nature of the expense and review supporting information (e.g., tax invoice) before approving or rejecting as relevant.

- Deloitte partners and staff are responsible for ensuring that Deloitte Australia complies with its Anti-Bribery and Corruption (ABC) obligations, including the provision of gifts, entertainment, and hospitality. Additionally, OPLs must also consider these obligations when reviewing such expenses, particularly items of significant value. For further detail, refer to the [Anti-bribery & corruption guidance] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/QR%20Policies/Australia%20-%20AP%20Anti-Bribery%20and%20Corruption%20Policy.pdf?csf=1&web=1&e=a4VTXY).

- **Exceptions**. In some cases where expenses have already been incurred on an individuals' Deloitte AMEX it may be appropriate to approve by exception (e.g., costs >$2,500 that should be paid via Swift Accounts Payable), but please reinforce that policy must be complied with moving forward.

- **Timely review and action of approval workflows**. Approval workflows not actioned consistently within 3 business days will be escalated to the attention of the BU COO and the Firm CFO to be addressed. To facilitate the approval process, partners are encouraged to utilise the functionality provided by the Concur mobile app. Further detail

on the Concur mobile app is available on [DAIS] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAIS/Shared%20Documents/Concur_Mobile_App.pdf?csf=1&web=1&e=TxIACo).

- **Use of AMEX**. OPLs are required to ensure that partners and staff within their respective Offering obtain and use a Deloitte issued personal liability AMEX card for business expenditure – refer to **4. Deloitte Issued AMEX Cards** for further information.
- **Review of monthly direct expenses**. As part of normal monthly activities, OPLs should be reviewing all Direct Expenses charged to the cost centres they are responsible for, utilising either information provided by their Business Finance team, or Tableau (myResults).

Engagement Partners

Engagement partners are accountable for all chargeable expenditure incurred on engagement codes they are responsible for.

Key accountabilities for engagement partners include:

- **Pre-approval for chargeable travel is required**. As a rule, chargeable travel should only occur when recoverable from the client. Engagement Partners are responsible for ensuring chargeable travel is legitimately client related, costs are reasonable and pre-approval (Concur Travel Request) is obtained.
- **Review and approval of relevant costs post submission by partners and staff**. For expense types not requiring pre-approval, expense amounts considered excessive will workflow to relevant engagement partners for approval, prior to reimbursement being made. It is the responsibility of the Engagement Partners to understand the nature of the expense and review supporting information (e.g., tax invoice) before approving or rejecting as relevant.
- **Review of monthly expenses charged to engagement codes**. As part of normal monthly WIP review activities, Engagement Partners should be reviewing all expenses charged to their engagement codes. Expenses that are billable to clients should be invoiced promptly to ensure recoverability, and any non-billable expenses should be written off in a timely manner.
- Expenses on the engagement should be in alignment with client expectations and willingness to pay.
- For engagements that are subject to regulatory compliance requirements, Engagement Partners must ensure that they undertake all relevant procedures to ensure expenses incurred are aligned with relevant requirements.

Deloitte.

4. Deloitte issued AMEX cards

All partners and staff for whom there is a reasonable expectation of incurring regular business expenses are expected to apply for a Deloitte personal liability AMEX card which is issued for business expenditure. Further detailed guidance including the application process is available on [DAIS] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/Corporate-Charge-Card.aspx).

All business expenses less than $2,500 must be incurred using your Deloitte personal liability AMEX card. See **3.2 - Expenses paid via Accounts Payable** for limited exceptions and expenses greater than $2,500.

Where expenses are correctly claimed and approved in accordance with the relevant policies, Deloitte will make payment aligned to AMEX statement dates. It remains the individual responsibility of partners and staff to ensure expenses are claimed and approved in the appropriate timeframe.

Out of Pocket Expenses (Use of personal card)

By exception, if a vendor does not accept AMEX, it is acceptable to use a personal credit card ('Out of Pocket' Payment type in Concur).

Where a valid reason exists to use a personal card per the above guidance, the following rules apply:

- All non-AMEX card transactions must be submitted with a valid, itemised tax receipt, regardless of value or expense type, including Taxi/Rideshare.
- Using a non-AMEX card will require a valid reason to be provided.
- The transaction date for the expense must match the date on the Tax receipt.
- There may be additional approvals required for the use of non-AMEX card transactions.

Limited exceptions for junior employees

Where a junior employee incurs infrequent, low-value expenses, such as periodic local travel to/from a client site, it is permissible for a personal credit card to be used.

Where a junior employee incurs a significant one-off expense, such as interstate travel for a client or internal training, an appropriate responsible individual (e.g., Coaching or Engagement Partner) should pay the expense using their Deloitte Amex and claim it on behalf of the junior employee.

Deloitte.

5. Gifts, entertainment and donations

The giving or receiving of gifts, entertainment or hospitality must always be ethical, transparent, and compliant with both the spirit and letter of applicable laws. All activity in this area must avoid any real or perceived conflict of interest and must protect Deloitte's reputation from allegations of undue influence or inappropriate conduct.

Remember:

6. **Mandatory consultation for items ≥ AU$300.** You must seek guidance before offering or accepting any gift, entertainment, or hospitality valued at **AU$300 or more per gift or per head**.

7. **Client policies take precedence when stricter.** You are required to understand and follow the client's policy where it is more restrictive than Deloitte's, particularly when working with public officials or public sector organisations.

8. **Strict Anti-Bribery and Corruption compliance.** All Partners and employees are responsible for ensuring full compliance with Deloitte Australia's [Anti-Bribery and Corruption obligations](https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/QR%20Policies/Australia%20-%20AP%20Anti-Bribery%20and%20Corruption%20Policy.pdf?csf=1&web=1&e=a4VTXY&xsdata=MDV8MDJ8S1BhaGFsQGRlbG9pdHRlLmNvbS5hdXw1ZjliMGZmMWVmMDA0NWUwM2YxOTA4ZGUzNzg1Y2E0N3wzNmRhNDVmMWRkMmM0ZDFmYWYxMzVhYmU0NmI5OTkyMXwwfDB8NjM5MDA5MjQ0OTcxOTk1MDg2fFVua25vd258VFdGcGJHWnNiM2Q4ZXlKRmJYQjBlVTFoY0draU9uUnlkV1VzSWxZaU9pSXdMakF1TURBd01DSXNJbEFpT2lKWGFXNHpNaUlzSWtGT0lqb2lUV0ZwYkNJc0lsZFVJam95ZlE9PXwwfHx8&sdata=c2pkUkFEc2JnZ0x4NjJMMnlJL21UL2t1VlVRR0J0ZkNodlphdGo3RFpIST0%3d).

9. **Political donations require prior approval.** Any political donation or contribution—including tickets to political party events—**must be pre-approved by the Chief Risk Officer (CRO)**, regardless of value. Approval must be attached in Concur and all attendees clearly listed.

10. **Gift cards:**

    a. Gift cards, prepaid cards, vouchers, or any other cash-equivalent items are not reimbursable, including retail gift cards and prepaid Visa/Mastercard cards.

    b. Greeting cards or similar non-monetary cards (e.g. congratulatory or thank-you cards such as Group Together or Kudoboard) are reimbursable where appropriate and in line with this policy.

    c. Where recognition or appreciation is intended (e.g. for farewells or parental leave), partners and employees should instead consider appropriate non-cash alternatives

such as flowers, hampers, or shared team experiences, provided the expense is reasonable, appropriate to the business context, and compliant with Firm policy.

d. **Note**: Rewards Gateway is available to purchase cash-equivalent gift cards; however, these are considered **personal expenses** and are **not eligible for reimbursement**. Rewards Gateway should instead be used for recognition (e.g. shout-out points) or for purchasing non-cash gifts that are compliant with this policy.

For further details:

11. See: [7. What can I claim? (Gifts and flowers)] (#Gifts_Sec_7), [AP Anti-Bribery and Corruption Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/QR Policies/Australia - AP Anti-Bribery and Corruption Policy.pdf?csf=1&web=1&e=a4VTXY) and [Gifts, Entertainment, Gratuities and Payments] (https://ausdeloitte.sharepoint.com/sites/DAISPolicies/Talent Policies/Forms/AllItems.aspx?id=%2fsites%2fDAISPolicies%2fTalent+Policies%2f4.05+Gifts%2c+Entertainment%2c+Gratuities+and+Payments.pdf&parent=%2fsites%2fDAISPolicies%2fTalent+Policies&xsdata=MDV8MDJ8S1BhaGFsQGRlbG9pdHRlLmNvbS5hdXwzMjU0ZTU4OGUzNmM0MGRiZjE3MjA4ZGUxMWRhYThiZHwzNmRhNDVmMWRkMmM0ZDFmYWYxMzVhYmU0NmI5OTkyMXwwfDB8NjM4OTY3ODI3OTkzODE3Mzk0fFVua25vd258VFdGcGJHWnNiM2Q4ZXlKRmJYQjBlVTFoY0draU9uUnlkV1VzSWxZaU9pSXdMakF1TURBd01DSXNJbEFpT2lKWGFXNHpNaUlzSWtGT0lqb2lUV0ZwYkNJc0lsZFVJam95ZlE9PXwwfHx8&sdata=M0Z4bWliM1E0akJaTDlKK1Q3SjY0dzlmYmtuaThmY1duYng5OUpBazAxbz0%3d) for detailed requirements.

12. Approvals and exceptions

Certain expenditure categories require pre-approval. Offering Portfolio Leaders and Engagement Partners are responsible for expenditure charged to their cost centres or engagement codes.

Engagement expenses are routed to Engagement Partners for approval, while cost centre expenses go to Offering Portfolio Leaders. Approvers should act within 3 business days.

Excessive expenses may need approval from Offering Portfolio Leaders (non-chargeable) or Engagement Partners (chargeable). An automatic workflow will direct these requests to the relevant individual for approval before reimbursement.

6.1 Expenses for which approval is required

Any individual expenses greater than the pre-determined maximum threshold (defined by expense type or attribute) will require approval. Such line items within a claim will be work flowed to the relevant approver(s) following submission.

Deloitte.

Travel-related expenses (Airfare, Accommodation, Car Hire) must be pre-approved. Enter the travel request ID in the expense entry for your claim; claims cannot be submitted without it. For domestic travel, use Concur Trip Search on the Concur home page. For international or out of policy travel, use the Concur Travel Request.

All training & learning costs must be approved according to the [Deloitte Learning Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/10.01%20Deloitte%20Learning%20Policy.pdf?csf=1&web=1&e=Fxrj8p) by using the External Study Request form.

6.2 Exceptions

Reimbursement for any expenditure that is not explicitly covered by the policy may be treated as an exception to the policy, except where maximum reimbursement allowances exist, e.g. mobile phone plans. Written approval is required for all exceptions and must be attached to the claim in Concur.

13. What can I claim?

Airfares	See the Travel & Transportation policy.
Bank fees	In limited circumstances, bank fees such as business-related wire transfers or international transaction charges, are reimbursable with supporting documentation. Personal fees, including AMEX credit card fees, or negligence-related charges are not reimbursable.
Cancellation fees	Cancellation and change fees will only be reimbursed if there is a valid business reason. If you no longer need to travel or require changes, it is your responsibility to cancel/change your itinerary. Unused tickets must be used on later trips or placed in a central pool for Firm use.
Car rental	See the Travel & Transportation policy.
Courier/Shipping/Freight/Postage	Reimbursement is permitted for courier, shipping, freight, or postage costs directly related to business purposes, such as sending documents, equipment, or materials. Expenses must be reasonable and supported by an associated tax receipt or invoice. Excessive service upgrades (e.g., express shipping without justification) are not eligible for reimbursement.
Currency exchange fees	Currency exchange fees are reimbursable when incurred as a direct result of business-related travel or transactions. Fees must be reasonable, necessary and must be

	supported by an associated tax receipt or bank statements showing the exchange rate and associated charges. Personal currency exchanges are not eligible for reimbursement.
Daily allowance	See the Meals & Entertainment policy.
Donations	Non-political donations should be directed through [The Deloitte Foundation] (https://ausdeloitte.sharepoint.com/sites/DAIS/SitePages/The-Deloitte-Foundation.aspx) only. For political donations, see **5. Gifts, entertainment and donations**.
Ex-Pat expenses	See **Relocations expenses**.
Gifts & flowers	Gift & flowers to staff, partners, clients, or other external parties for appropriate situations (awards, farewells, births, weddings, illness, or injury) are reimbursable. When organising more extensive team social gatherings, make sure you understand what your business budget is in advance. In all circumstances, the names of all individuals (internal or external) being provided with a gift should be added within Concur. At all times when considering providing gifts to clients or other external parties, partners and staff must adhere to all relevant Deloitte policies including [Anti-bribery & corruption] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/QR Policies/Australia - AP Anti-Bribery and Corruption Policy.pdf?csf=1&web=1&e=a4VTXY). **Gift cards are not reimbursable under any circumstances.** See 5. Gifts, Entertainment and Donations for further details.
Government and agency fees	Government and agency fees related to either GES immigration costs or costs that are passed to the client at no GST charge. This will include either: • **GES Visas** – used only by the GES team, or • **Pass through client expenses** – where the cost has been incurred as agents of the client and the client invoice does not capture GST when billing the client.
Hotels & accommodation	See the Travel & Transportation policy.
Internet	Home internet costs are reimbursable up to $35/month for approved on-call ITS team members only. All claims must be reviewed and approved by the Cost Centre owner in Concur.

Deloitte.

IT equipment (hardware and software)	In most cases IT equipment must be purchased through our preferred supplier, WINC or by contacting ITS. In limited instances where specific equipment is not available via the above methods, it may be reimbursable if approved as an exception by your OPL. See [Computer Supplies] (https://ausdeloitte.sharepoint.com/sites/DAISITS/SitePages/Computer-Supplies.aspx) for further details.
Laundry	See the Travel & Transportation policy.
Late fees & delinquency charges	Partners and staff are responsible for ensuring that their AMEX card account is reconciled, and the balance is paid before the due date. You are personally responsible for paying any delinquency and suspense fees.
Marketing/Promotional Costs	Firm-wide Marketing / Promotional costs are expected to be incurred by the MCBD team centrally, rather than individual Partners or Staff. Certain costs may be reimbursable for amounts less than $2,500 for the following purposes: • Bespoke Deloitte branded merchandise, clothing or signage for client or team purposes • Materials for recruitment such as Graduate campus events • Registration fees for approved charity events, such as a fun run Expenses not considered as Marketing/Promotional include: • Attendance at industry conferences or awards events (see **Seminars/Conferences/Course Fees** below)
Meals & entertainment	See the Meals & Entertainment policy.
Medical & wellness	Specific business-related medical expenses may be reimbursable. Such expenses include vaccinations or mandatory health checks for overseas travel as well as health checks specifically required to visit client sites.
Meetings & conferences under $5,000 (non-sponsorship)	This expense type primarily covers conference fees and related costs, which may be paid using the approving partner's or staff member's AMEX card and claimed through Concur, provided a contract is signed by Core Procurement. Important: Event expenses—including venue hire, catering, and entertainment for EOFY celebrations, end-of-project gatherings, and similar functions—must be processed via Accounts Payable. See **Section 3.2** for further details.

Deloitte.

	See also [8.4.3 Events, Functions and Activities Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/8.4.3%20Events,%20Functions%20and%20Activities.pdf?csf=1&web=1&e=DZYDeS).
Mobile phones & international roaming	Deloitte will reimburse actual costs incurred (net of any plan discount), up to $85 per month, for the business-related portion of a single monthly post-paid mobile voice and data plan. The claim must relate to the claimant's mobile number as used for business purposes and be supported by an itemised tax invoice. The claimed amount must match the monthly plan cost for that specific mobile number as shown on the invoice. Where the plan includes multiple services (e.g. family or shared plans), only the cost identified on the invoice for the claimant's mobile number is eligible for reimbursement. This reimbursement is primarily for: • Voice plans used for work-related calls and limited data usage, such as checking work emails or using the Concur app. This reimbursement does not cover: • Premium or high-data plans, as well as additional costs like subscriptions or handset charges, which are personal expenses and not eligible for reimbursement. • Plans used primarily for tethering/data either at or away from the office. Claims must include an itemised tax receipt or excerpt which clearly shows the mobile plan value and any additional costs. All mobile costs must be paid with a Deloitte Amex card. Reimbursement is not automatic and may be subject to policy review. No hardware (phone, tablets, dongles, protective cases, wallets, power cables, headphones etc.) or insurance associated with a plan or separate to it is reimbursable. Discretionary additional subscriptions (e.g., Spotify, Telstra One Number Subscription etc.) are considered personal expenses and are not reimbursable. All claims for reimbursement must be accompanied by copies of itemised tax invoices. The costs should be paid using your Deloitte Amex card. **International roaming** International roaming package costs can be reimbursed provided they are used substantially for business purposes. Such roaming packages need to be purchased in advance of travel from the mobile plan provider. International roaming costs beyond the package are not reimbursable. **In-Flight Wi-fi** The firm will cover reasonable costs of in-flight internet for international flights only.
Office supplies	Office supplies, including peripherals and stationery, may be reimbursable if it is unavailable or unable to be purchased through our preferred supplier, WINC.

Deloitte.

Parking & tolls	See the Travel & Transportation policy.
Personal car mileage	See the Travel & Transportation policy.
Professional Certifications/Exams	All expenses relating to Training (including Exams) that are approved in line with the [Deloitte Learning Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/10.01%20Deloitte%20Learning%20Policy.pdf?csf=1&web=1&e=BOZy6G). Such expenses include (but are not limited to): • CA course fees • Masters of Tax course fees • Other non-primary training course fees where pre-approved in accordance with the Deloitte Learning Policy • Industry body registrations related to an individuals' role, for example a Registered Tax Agent or Auditor • Other required accreditations such as police checks
Professional subscriptions and individual memberships	Personal professional subscriptions and memberships are reimbursable where there is a direct business requirement or benefit. Partners and staff may claim for one professional membership per calendar year, provided it directly relates to maintaining professional licenses required for your role at Deloitte. If you are required by your role to have more than one primary technical membership, the request will automatically workflow to your Offering Portfolio Leader for approval. Software subscription costs should not be claimed against this expense category. In the event you resign or are terminated from Deloitte and submit an expense claim for Professional subscriptions and individual memberships during your notice period you may be required to provide evidence showing the duration of the membership. If the duration of the membership falls outside of your employment dates with Deloitte, you will receive a pro-rata amount of the total expense claim. For example, if the membership renewal period commenced one month before your end date with Deloitte, you will only receive the total monetary value of the membership for one month and not the full annual membership fee as the remainder of the membership will no longer relate directly to your role at Deloitte. In the event you have been overpaid for any Professional subscriptions and individual memberships this overpayment will be deducted from any outstanding wages owed.
Public transport	See the Travel & Transportation policy.
Publications, media subscriptions and newspapers	The purchase of technical business publications necessary for performing job functions, (e.g., Financial Accounting Standards Board Update Service and US Tax Reporter) will be reimbursed.

	A single digital national newspaper subscription will be provided to partners only upon request by contacting Research Australia. An approval must be attached to the claim in Concur. Subscriptions to newspapers are not reimbursable.
Relocation expenses	Partner and staff relocation expenses. See [12.04 International Hire and Transfer Relocation Assistance Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/12.04%20International%20Hire%20and%20Transfer%20Relocation%20Assistance%20Policy.pdf?csf=1&web=1&e=9a4fmJ) and [12.05 Local Secondment and Relocation Assistance Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/12.05%20Local%20Secondment%20and%20Relocation%20Assistance%20Policy.pdf?csf=1&web=1&e=YNbYfh) for further details.
Search and filing fees	Search and filing fees may be reimbursed when charged to your AMEX card where it is not possible to have such fees charged to a Deloitte corporate account. Such costs are limited, relating either to costs incurred on behalf of clients (e.g., ASIC fees or bank confirmations) or costs related to Deloitte corporate entities (Company set-up, filing fees etc.). When requesting reimbursement for police checks use the expense type Search and filing fees.
Seminars/Conference/Course Fees	Expenses related to Deloitte partner or staff attendance at an external seminar or conference. This includes attendance at industry conferences or awards events.
Taxi/Rideshare	See the Travel & Transportation policy.
Training	See the [Training & Education] (https://ausdeloitte.sharepoint.com/:u:/r/sites/DOL-c-DTTL-ResearchAUS/SitePages/Training-and-Education.aspx?csf=1&web=1&e=82nU0w) site on DAIS for further details & expenditure guidelines. Pre-approval is required using an External Study Request form which must be attached to your claim in Concur. Training expenses approved under the [Deloitte Learning Policy] (https://ausdeloitte.sharepoint.com/:b:/r/sites/DAISPolicies/Talent%20Policies/10.01%20Deloitte%20Learning%20Policy.pdf?csf=1&web=1&e=Fxrj8p) should be charged to your AMEX card only.

Deloitte.
